Spring 2017 CPR Classes

DUE TO THE NATURE OF CPR AND FIRST AID COURSES, YOU MUST ARRIVE ON TIME. NO ADMITTANCE AFTER STATED START TIME. Registration is required ONE WEEK prior to course start date to ensure appropriate student-to-instructor ratios. Late registrations will be considered on a space-available basis only.

BLS for Healthcare Providers

This American Heart Association course is designed for the healthcare provider. Each participant must obtain an 84 percent or higher on the written evaluation and demonstrate proficiency in all CPR skills. Skills include adult, child and infant CPR, FBAO management of the conscious victim, adult/infant/child two rescuer CPR, mouth-to-mask ventilation and automatic external defibrillation (AED). Written and practical skills (hands-on manikin simulation) evaluation and testing are required for course completion. Students who enroll at least one week in advance and successfully complete the course will receive BLS completion card at the end of the class. No transfers between sessions or refunds given within five business days of class date. Due to the nature of the course, you must arrive on time. No admittance after stated start time. No refund for late arrival. This course meets the STLCC nursing department admission requirements.

Heartsaver Pediatric First Aid CPR AED

The Heartsaver Pediatric First Aid CPR AED course teaches lay rescuers to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. It covers the four steps of first aid and first aid skills such as finding the problem, stopping bleeding, bandaging, using an epinephrine pen, as well as child CPR AED, infant CPR and optional modules in adult CPR AED, child mask, infant mask and Asthma Care Training for Child Care Providers. Registration one week prior to course start date is required. No transfers between sessions or refunds given within five business days of class date. Due to the nature of the course, you must arrive on time. No admittance after stated start time. No refund for late arrival. Bring a sack lunch. Child Care Providers DO NOT register for this course. Child Care Providers needing Approved Clock Hours MUST enroll in the Specialized Child Care Provider Course CCPR 711.

Heartsaver CPR AED: Adult and Pediatric

The Heartsaver CPR AED Course teaches lay rescuers when to dial 911, how to give CPR, how to use an AED and how to provide relief of choking. The course targets individuals who are expected to respond to cardiovascular emergencies in the workplace. The course may be used to teach CPR to lay rescuers who are required to obtain a course completion card documenting completion of a CPR course that includes use of an AED for job, regulatory or other requirements. This course is for the learner with limited or no medical training. Registration one week prior to course start date is recommended. Due to the nature of the course, you must arrive on time. No refund for late arrival.

Heartsaver First Aid CPR AED

Heartsaver First Aid CPR/AED is a classroom, DVD-driven, instructor-led course that teaches students critical skills needed to respond to and manage a first aid, choking or sudden cardiac arrest emergency during the first few minutes before emergency medical service (EMS) arrives. It is designed to meet OSHA requirements. Students learn the skills to treat bleeding, sprains, broken bones, shock and other first aid emergencies. This course also teaches adult CPR and AED use. Practical skills (hands-on-manikin simulation) evaluation and testing are required for course completion. Upon successful completion, each participant will receive a course completion card. Registration one week prior to course start date is recommended. Due to the nature of the course, you must arrive on time. No refund for late arrival.

DUE TO THE NATURE OF CPR AND FIRST AID COURSES, YOU MUST ARRIVE ON TIME. NO ADMITTANCE AFTER STATED START TIME.
Registration is required ONE WEEK prior to course start date to ensure appropriate student-to-instructor ratios. Late registrations will be considered on a space-available basis only.

Non-Discrimination/Accommodations Statement

St. Louis Community College is committed to non-discrimination and equal opportunities in its admissions, educational programs, activities, and employment regardless of race, color, creed, religion, sex, sexual orientation, national origin, ancestry, age, disability, genetic information, or status as a disabled or Vietnam-era veteran, and shall take action necessary to ensure non-discrimination. Sexual harassment, including sexual violence, is also prohibited. For information or concerns related to discrimination or sexual harassment, contact Patricia Henderson of Human Resources, 314-539-5214.

If you have accommodation needs, please contact Ann Marie Schreiber, 314-984-7704, at least three weeks prior to the class or event.

CPR Instructor Course

The purpose of the AHA BLS/CPR Instructor Course is to provide instructor candidates the knowledge and skills necessary to reach and teach potential BLS providers enrolled in AHA courses the science, skills and philosophy of resuscitation programs. The AHA BLS/CPR Instructor course provides a structured initiation for the instructor candidates and serves as the foundation for their development. It provides instructor candidates the opportunity to develop and refine their presentation skills. Please note there is self-paced, pre-course preparation. Prerequisite required at time of registration: Current AHA BLS Healthcare Provider CPR card. Registration three weeks prior to course start date is required to ensure arrival of pre-course materials and completion of pre-course preparation. Per AHA requirements, within six months of the initial CPR Instructor Course, a STLCC TC faculty member must monitor the instructor candidate's teaching and verify the performance of the candidate's provider skills. The instructor candidate will pay an additional fee for this monitoring. Due to the nature of this course, you must arrive on time. No admittance after the stated start time. No refund for late arrival. Registration/Refund/Withdrawal deadline: 2/1. Interested students must contact Diane Sterett at 314-539-5754 before registering for the CPR Instructor Course.

CPR Instructor Renewal Course

To successfully complete the American Heart Association CPR Instructor Renewal course, the instructor will demonstrate acceptable provider skills and successful completion of the provider written examination. The renewal course may include an update addressing new course content or methodology and review TC, regional and national ECC information. Prerequisite: The instructor must have taught at least four CPR courses and attended updates as required within the previous two years and be a current CPR Instructor as evidenced by a current CPR Instructor card. At time of registration the instructor must provide documentation meeting all prerequisites. Registration is required one week prior to course start date. Due to the nature of this course, you must arrive on time. No admittance after the stated start time. No refund for late arrival. Interested students must contact Diane Sterett at 314-539-5754 before registering for the CPR Instructor Renewal Course.
